

Stephanie Missert

Research Assistant

Email: smissert@tfgnet.com

Phone: 202-331-8500

Stephanie Missert is a Research Associate at The Ferguson Group. Stephanie assists lobbyists and clients by identifying and helping to apply for federal grants, researching economic community development policies, and tracking and analyzing federal legislation. Stephanie also writes comprehensive demographic and economic analysis reports for municipal and county governments.

Prior to joining The Ferguson Group, Stephanie interned for United States Senator Kirsten Gillibrand in the Buffalo, NY regional office where she assisted with press, scheduling, and constituent correspondence and services. She also represented the Office of Senator Gillibrand at local meetings and events, as well as assisted staff and the Senator during visits to the region.

Stephanie received her B.A. in History and Minor in Economics from Niagara University, focusing on late 20th century American foreign and domestic policy.
